Health & Safety | Environmental | Quality Policy Statement
Strategic Direction
ISO 9001:2015 Management System Standard

Scope and context of the organisation
Context of our organisation: Established in 1954, L.J.A. Miers & Co. Ltd is one of the longest running rubber and plastics converters in the United Kingdom today. We have established a range of products and services that ensure we are able to be a one-stop shop for all our customers' requirements. Our centrally located warehouse and production facilities mean we are able to cope with the just-in-time requirements of modern manufacturing industry.

Our Scope: The conversion of rubber, plastics and cellular foam material including design and manufacturing of mouldings and extrusions to customer specific requirements. Commission coating and laminating of flexible substrates with PSA Backing.

Policy Statement
LJA Miers are committed to:-

- Profitably supplying products and services that meet statutory, regulatory and other applicable requirements including the meeting of all customer expectations.
- Maintaining a commitment to continually improve and enhance our performance through the setting of objectives and targets created to ensure intended outcomes are met.
- Take into account the Context of our Organisation and support its strategic direction.
- Preventing injuries and ill health of our employees, contractors and visitors through a rigorous program of audit and improvement.
- The protection of the environment through effective Waste Management and the prevention of pollution.
- Continually improving our Quality performance by the analysis of non-conformances and the implementation of robust root cause corrective and preventative actions.
- Promoting a culture of risk-based thinking, defect prevention and zero-defects.
- Promoting and demonstrating our Quality Culture and Ethical behaviour throughout the organisation.
- Maximising business opportunities whilst identifying internal and external risk factors associated with our sector.
- Providing training opportunities to improve our performance in the safety, environmental, quality and operational aspects of our business.
- Ensuring this Policy Statement is communicated to all personnel within the organisation and is reviewed at regular intervals.

All staff are aware of their responsibilities within our management system standard and are committed to its future success.

This policy will be available to our external interested parties where appropriate.
